

ANIMALS AT AVK

Art Village Karjat is an animal loving project. Along with having animals already on the land, the 7 acre project is also a safe space for you to travel with your animal. It is important to note that we strive for harmonious interactions and therefore need to lay out protocols to ensure everyone is comfortable and safe during their stay.

This document enumerates certain key points to be considered when you're travelling to the Art Village with your animals.

BOOKING

1. Upto 2 animals accompanying a group or individual is permitted per room booking. A total of 6 guest animals can be accommodated on the project.

3. If the animal damages any items around the property and in the rooms, the penalty will be Rs.5000/- payable as per the AVK manager's discretion.
